"My business has grown so much since having a booth in the Oklahoma City Home Shows. Exhibiting in the shows is one of the best decisions I've made. My business was introduced to an entirely new crowd of interested consumers at the March show. People who were not able to attend the January show came in March and I saw so many new faces. I was able to demonstrate my services face to face with customers and make appointments on the spot. I continue to get calls from people who met me at the show. This has helped my business grow exponentially!"

Julie Diaz, LEATHER LADY FURNITURE REPAIR

This was by far the best show! There were more exceptional, educated buyers who stopped by our booth—they had done their homework. This is largely due to the pre-show advertising that is done by the show. I especially liked the fact that customers could find our website directly from the show's website and be prepared with questions. Some even contacted us before the show. We were very pleased with the overall experience and we will be back!

Will Tabor, TABOR WATER

"This show is a great way to get in front of a lot of people."

Steve Mangus, HEARTLAND SLEEP CENTER

"We have exhibited at this show for more than 10 years and have built a loyal customer base from it."

Gail Pappas, CREATIVE GARDEN & GIFTS

"The new Bennett Event Center is great!"

Don Wood, WOOD CARPENTRY

"Marketplace Events is a great company with which to work. The show staff is helpful and they care as much as we do about putting on the best show possible. They're the kind of company you feel confident doing business with."

Donna Johnson, BATH FITTER

"The new building was wonderful and attendance was outstanding! The show team was excellent and accommodating."

David Chilcoat, MONTE CRISTO IRONWORKS

"The OKC Home + Garden Show is a very good show with good attendance and many exhibitors."

Dale Pfundt, SOUTHWEST BUILDERS

"The show was really successful for me. The quality of potential customers was great. I have sold several leads thus far and I am still getting calls from ones I met. This show has been and continues to be the best form of advertising for my company."

Aaron Smith, PATIO PARADISE

"We will never miss another show. The exposure we got and the consistent business that has come in since the show will keep us busy for months to come. We recently had to hire three new employees to keep up."
