In this show, electric is provided free of charge to you if you need only standard 110 volt electricity. 500 watts/110 volt electricity is provided every 30 feet for linear exhibit spaces. **Exhibitors must provide a 16 gauge or larger extension cord (this is not a standard extension cord).** If this meets your requirements, you do not need to complete an order form.

If you do require electrical higher than the standard 500 watts/110 volt provided, each additional plug has a **\$70 fee**. Please list how many your booth requires and fill out the credit card information below.

**In the area provided below, please list what equipment you will be using and the required amount of power needed.** List the equipment total amperage or wattage and what voltage your equipment is, either 120 or 240.

*Questions regarding this, contact your sales consultant for further direction.*
