• All sides and surfaces, front and back of exhibits which are exposed to view must be properly finished and decorated by exhibitor at their own expense and to the satisfaction of neighboring exhibitors and show management.

• All booths must have floorcovering. This can be carpet, tile, astroturf, foam, etc. Any carpet extending into the common aisle is subject to being cut and removed. Carpet can be rented from the decorator.

• No duct tape. Please use double-sided tape that can be easily removed from the floor. No residue to remain after move-out or the exhibitor will be charged for removal.

• Booth personnel are required to work within the confines of their booth space. Working in the aisles is not permitted.
